No. Rl. 1969, *dated Bangalore, the* 11*th November* 1944.

Under the provisions of rule 36 of the Mysore Legislative Rules, 1941, the Dewan has been pleased to order the publication in the Gazette of the accompanying Mysore City Municipalities Amendment Bill together with the Statement of Objects and Reasons.

By Order,

C. NARAYANASWAMY NAIDU,

Legal Remembrancer and
Secretary to Government

THE MYSORE CITY MUNICIPALITIES (AMENDMENT) BILL.

WHEREAS it is expedient further to amend the Mysore City Municipalities Act, 1933;

It is hereby enacted as follows:—

1. (1) This Act may be called the Mysore City Municipalities (Amendment) Act, 194 ; Short title and commencement.

(2) It shall come into force at once.

2. To clause (*s*) of sub-section (1) of section 51 of the Mysore City Municipalities Act, 1933 (VII of 1933), the following proviso shall be added, namely,— Amendment of section 51, Act VII of 1933.

"Provided that, in the case of a building intended to be permanently used for an exhibition by means of cinematograph, no license for its erection or use shall be granted without the previous consent of a District Magistrate having jurisdiction. In case of disagreement between the Municipal Council and the District Magistrate, the matter shall be referred by the Municipal President or the Commissioner, as the case may be, to the Government whose decision thereon shall be final."

Statement of Objects and Reasons.

Licenses for the construction of building intended for cinemas are, at present, granted by Municipalities; while licenses to run the cinema in such buildings have to be obtained from the District Magistrate having jurisdiction. Considerations of the locality where a cinema should be allowed to run and of the interests of the inhabitants of such localities which are usually taken into account in granting licenses to run cinemas are often lost sight of in granting permission to build. It has therefore become necessary to amend the City Municipalities Act, so that in the case of a building intended to be permanently used for cinemas, a license for its erection or use is granted only after previous consent of the District Magistrate is obtained. It is expected that by such a requirement persons who build theatres in the expectation of getting licenses to run a cinema after construction will not hereafter be put to loss or hardship by a subsequent refusal of such license.

No. Rl. 1970, *dated Bangalore, the* 11*th November* 1944.

Under the provisions of rule 36 of the Mysore Legislative Rules, 1941, the Dewan has been pleased to order the publication in the Gazette of the accompanying Mysore Town Municipalities (Amendment) Bill together with the Statement of Objects and Reasons.

Short title and commencement.

1. (1) This Act may be called the Mysore Town Municipalities (Amendment) Act, 194 ;

(2) It shall come into force at once.

Amendment of section 48, Act VIII of 1933.

2. To clause (*s*) of sub-section (1) of section 48 of the Mysore Town Municipalities Act, 1933 (VIII of 1933), the following proviso shall be added, namely,—

"Provided that, in the case of a building intended to be permanently used for an exhibition by means of cinematograph, no license for its erection or use shall be granted without the previous consent of the District Magistrate having jurisdiction. In case of disagreement between the Municipal Council and the District Magistrate, the matter shall be referred by the Municipal President to the Government whose decision thereon shall be final."

Statement of Objects and Reasons.

Licenses for the construction of buildings intended for cinemas are, at present, granted by Municipalities; while licenses to run the cinema in such buildings have to be obtained from the District Magistrate having jurisdiction. Considerations of the locality where a cinema should be allowed to run and of the interests of the inhabitants of such localities which are usually taken into account in granting licenses to run cinemas are often lost sight of in granting permission to build. It has therefore become necessary to amend the Town Municipalities Act, so that in the case of a building intended to be permanently used for cinemas, a license for its erection or use is granted only after the previous consent of the District Magistrate is obtained. It is expected that by such a requirement persons who build theatres in the expectation of getting licenses to run a cinema after construction will not hereafter be put to loss or hardship by a subsequent refusal of such licenses.

It is hereby enacted as follows:—

Short title and commencement.

1. (1) This Act may be called the Mysore Minor Municipalities (Amendment) Act, 194 ;

(2) It shall come into force at once.

Amendment of section 79, Act IX of 1933.

2. To sub-section (2) of section 79 of the Mysore Minor Municipalities Act, 1933 (IX of 1933), the following shall be added at the end, namely :—

"In the case of a building intended to be permanently used for an exhibition by means of cinematograph, no license for its erection or use shall be granted without the previous consent of the District Magistrate having jurisdiction. In case of disagreement between the President and the District Magistrate, the matter shall be referred by the President to the Government, whose decision thereon shall be final."

Statement of Objects and Reasons.

Licenses for the construction of buildings intended for cinemas are, at present, granted by Municipalities; while licenses to run the cinema in such buildings have to be obtained from the District Magistrate having jurisdiction. Considerations of the locality where a cinema should be allowed to run and of the interests of the inhabitants of such localities which are usually taken into account in granting licenses to run cinemas are often lost sight of in granting permission to build. It has, therefore, become necessary to amend the Minor Municipalities Act, so that in the case of a building intended to be permanently used for cinemas, a license for its erection or use is granted only after the previous consent of the District Magistrate is obtained. It is expected that, by such a requirement, persons who build theatres in the expectation of getting licenses to run a cinema after construction will not hereafter be put to loss or hardship by a subsequent refusal of such licenses. The present Bill is intended to serve this purpose.

By Order,

THE MYSORE CITY MUNICIPALITIES (FIRST AMENDMENT) BILL.

WHEREAS it is expedient further to amend the Mysore City Municipalities Act, 1933;

It is hereby enacted as follows :—

Short title and commencement.

1. (1) This Act may be called the Mysore City Municipalities (First Amendment) Act, 194 .

(2) It shall come into force at once.

Insertion of new section 200-A in Act VIII of 1933.

2. After section 200 of the Mysore City Municipalities Act, 1933, the following new section shall be inserted, namely :—

"200-A. (1) Where in respect of land situated within a municipality, the whole or any part of any amount recoverable under the provisions of Chapter VIII or of section 198 is in arrears for a period of six years and the land is unclaimed and the owner thereof is not known, the Municipal Council may, by a notification in the Gazette, call upon the owner or any person interested therein to appear before the person, and within the period to be specified in the said notification, to show cause why the said land should not be resumed by the municipality. The notification shall contain as complete particulars of the land as is necessary to identify the land as well as the name of the last owner as disclosed in the books of the municipality and the amount due in respect of the land.

"(2) Where the owner or any person interested in the land appears and pays to the municipality the amount due on the land, further proceedings shall not be taken under this section.

"(3) Where no person appears within the time specified or payment is not made of the amount due, the person specified in the aforesaid notification shall report to the Municipal Council accordingly and the Municipal Council may, thereupon, direct that the said land be resumed to the municipality, whereupon it shall vest in the Municipal Council. "(4) Any person aggrieved by an order of the Municipal Council made under sub-section(3) may, within one year from the date of the order, apply to the Civil Court within whose jurisdiction the property is situate to set aside such order and the Court, after taking such evidence as it considers necessary, may confirm or set aside the order of resumption, the costs in any case being defrayed by the applicant:

Provided, however, that such order shall not be liable to be set aside unless the applicant has deposited in Court for the benefit of the Municipal Council the amount due on the land."

Statement of Objects and Reasons.

Municipalities lose considerable sums every year on account of irrecoverable taxes on vacant sites the owners of which are not known and cannot be traced. Coercive steps cannot be taken as their addresses are not known and civil suits lead to delay and expense.

2. Government consider it desirable, therefore, that in such cases City Municipal Councils should be empowered to take over unclaimed vacant sites of which the owners are not known, for default of payment of taxes which have fallen due for a period of six years and over. Sufficient safeguards have been provided in the Bill which has been drafted for this purpose.

THE MYSORE TOWN MUNICIPALITIES (FIRST AMENDMENT) BILL.

WHEREAS it is expedient further to amend the Mysore Town Municipalities Act, 1933;

It is hereby enacted as follows:—

1. (1) This Act may be called the Mysore Town Municipalities (First Amendment) Act, 194 ; Short title and commencement.

(2) It shall come into force at once.

2. After section 177 of the Mysore Town Municipalities Act, 1933, the following new section shall be inserted, namely:— Insertion of new section 177-A in Act VIII of 1933.

"177-A (1) Where in respect of land situated within a municipality, the whole or any part of any amount recoverable under the provisions of Chapter VIII or of section 175 is in arrears for a period of six years and the land is unclaimed and the owner thereof is not known, the municipal council may, by notification in the official Gazette, call upon the owner or any person interested therein to appear before the person and within the period to be specified in the said notification, to show cause why the said land should not be resumed by the municipality. The notification shall contain as complete particulars of the land as is necessary to identify the land as well as the name of the last owner as disclosed in the books of the municipality, and the amount due in respect of the land.

"(2) Where the owner or any person interested in the land appears and pays to the municipality the amount due on the land, further proceedings shall not be taken under this section.

"(3) Where no person appears within the time specified or payment is not made of the amount due, the person specified in the aforesaid notification shall report to the municipal council accordingly and the municipal council may, thereupon, direct that the said land be resumed to the municipality, whereupon it shall vest in the municipality. Such order shall be published in the official Gazette and shall take effect from the date of such publication.

"(4) Any person aggrieved by an order of the municipal council made under sub-section (3) may, within one year from the date of the order, apply to the nearest civil court within whose jurisdiction the property is situate, to set aside such order and the Court, after taking such evidence as it considers necessary, may confirm or set aside the order of resumption, the costs in any case being defrayed by the applicant:

Provided, however, that such order shall not be liable to be set aside unless the applicant has deposited in Court for the benefit of the municipal council the amount due on the land."

Statement of Objects and Reasons.

Complaints are being received from several municipalities that considerable amounts have to be written off every year as irrecoverable dues on vacant sites situated within their limits. In a majority of cases owners are not known and coercive steps cannot be taken in the absence of information regarding their whereabouts. Recourse to civil courts results in protracted litigation at considerable expense.

2. Government have therefore considered it desirable that in such cases Town Municipal Councils should be empowered to take over unclaimed vacant sites, of which the owners are not known, for default of payment of taxes which have fallen due for a period of six years and over. Sufficient safeguards have been provided in the Bill which has been drafted for this purpose.

THE MYSORE VILLAGE PANCHAYET (AMENDMENT) BILL.

A Bill further to amend the Mysore Village Panchayet Act, 1926;

Whereas it is expedient further to amend the Mysore Village Panchayet Act, 1926;

It is hereby enacted as follows:—

Short title and commencement.

1. (1) This Act may be called the Mysore Village Panchayet (Amendment) Act, 194 ;

(2) It shall come into force at once.

Insertion of new section 40-A in Act II of 1926.

2. Section 40-A of the Mysore Village Panchayet Act, 1926, shall be renumbered as section 40-B and before section as so renumbered, the following new section shall be inserted, namely:

"40-A (1) Where, in respect of land situated within a panchayet, the whole or any part of any amount recoverable under section 40 is in arrears for a period of six years and the land is unclaimed and the owner thereof is not known, the Amildar may, by notification in the official Gazette, call upon the owner or any person interested therein to appear before the person, and within the period to be specified in the said notification, to show cause why the said land should not be resumed by the panchayet. The notification shall contain as complete particulars of the land as is necessary to identify the land as well as the name of the last owner as disclosed in the books of the panchayet, and the amount due in respect of the land.

"(2) Where the owner or any person interested in the land appears and pays to the panchayet the amount due on the land, further proceedings shall not be taken under this section.

"(3) Where no one appears within the time specified or payment is not made of the amount due, the person specified in the aforesaid notification shall report to the Amildar accordingly and the Amildar may thereupon direct that the said land be resumed by the panchayet whereupon it shall vest in the panchayet. Such order shall be published in the official Gazette and shall take effect from the date of such publication.

"(4) Any person aggrieved by an order of the Amildar made under sub-section (3) may, within one year from the date of the order, apply to the civil court within whose jurisdiction the property is situate to set aside such order and the Court, after taking such evidence as it considers necessary, may confirm or set aside the order of resumption, the costs in any case being defrayed by the applicant:

Provided, however, that such order shall not be liable to be set aside unless the applicant has deposited in Court for the benefit of the panchayet the amount due on the land."

Statement of Objects and Reasons.

Several village panchayets are losing considerable sums of money every year on account of irrecoverable taxes on vacant sites, the owners of which are not known and cannot be traced. Coercive steps cannot be taken in the absence of information regarding the addresses of the owners. Recourse to civil courts results in protracted litigation at considerable expense.

2. Government consider it desirable, therefore, that in such cases the village panchayets should be empowered to take over unclaimed vacant sites of which the owners are not known, for default of payment of taxes which have fallen due for a period of six years and over. Sufficient safeguards have been provided in the Bill which is now brought forward for this purpose.

Under the provisions of rule 36 of the Mysore Legislative Rules, 1941, the Dewan has been pleased to order the publication in the Gazette of the accompanying Mysore Coffee Market Expansion (Amendment) Bill together with the Statement of Objects and Reasons.

C. NARAYANASWAMY NAIDU,

THE MYSORE COFFEE MARKET EXPANSION (AMENDMENT) BILL.

A Bill further to amend the Mysore Coffee Market Expansion Act, 1941.

WHEREAS it is expedient further to amend the Mysore Coffee Market Expansion Act, 1941, for the purposes hereinafter appearing;

It is hereby enacted as follows:—

1. This Act may be called the Mysore Coffee Market Expansion (Amendment) Act, 194 . Short title.

2. In section 2 of the Mysore Coffee Market Expansion Act, 1941 (XXIV of 1941) (hereinafter referred to as the said Act), after clause (*e*) the following clause shall be inserted, namely:— Amendment of section 2, Act XXIV of 1941.

"(*ee*) 'dealer' means a person carrying on the business of selling coffee, whether wholesale or by retail;"

3. In sub-section (1) of section 20 of the said Act, after the words 'any licensed curer' the words 'or dealer' shall be inserted. Amendment of section 20, Act XXIV of 1941.

4. In sub-section (2) of section 24 of the said Act, after the words 'by the Government', the following shall be inserted, namely:— Amendment of section 24, Act XXIV of 1941.

"or of the offence specified in sub-section (2) of section 7, except on complaint made by an officer authorised in this behalf, either by the Government or by the Board."

Repeal and Savings.

5. The Mysore Coffee Market Expansion (Amendment) (Emergency) Act, 1944 (XXXV of 1944), is hereby repealed. But anything done and any action taken in exercise of any power conferred by or under the said Emergency Act, shall be deemed to have been done or taken, in exercise of powers conferred by or under this Act as if this Act had commenced on the third day of August 1944.

Statement of Objects and Reasons.

Under sub-section (1) of section 7 of the Mysore Coffee Market Expansion, Act, 1941, the Government has, after consultation with the Board, the power to fix the wholesale and retail prices at which coffee shall be sold in the market and sub-section (2) of the same section provides that no registered owner or licensed curer or dealer shall sell coffee at a price or prices higher than the price or prices fixed by the Government. A registered owner or a licensed curer who sells coffee at a higher price or prices in contravention of the above provision can be punished under section 20 (1) of the Act. No provision, however, exists in section 20 (1) or elsewhere in the Act for prosecuting a dealer for a similar offence, though such a provision is necessary to enforce the control of coffee prices.

2. The Bill is, therefore, designed to define a dealer and to make him liable to prosecution for violating the provisions of sub-section (2) of section 7 of the Act, and also to provide that any prosecution for any such offence may be launched only on a complaint made by an officer authorised in this behalf either by the Government or by the Board.

THE COTTON GINNING AND PRESSING FACTORIES (AMENDMENT) BILL.

A Bill further to amend the Cotton Ginning and Pressing Factories Act, 1929.

Whereas it is expedient further to amend the Cotton Ginning and Pressing Factories Act, 1929 (VI of 1929) for the purposes hereinafter appearing;

It is hereby enacted as follows:—

Short title.

1. This Act, may be called the Cotton Ginning and Pressing Factories (Amendment) Act, 194 .

Amendment of section 3-A, Act VI of 1929.

2. Clause (c) of sub-section (2) of section 3-A of the Cotton Ginning and Pressing Factories Act, 1929 (hereinafter referred to as the said Act) shall be omitted.

Insertion of new section 3. AA, Act VI of 1929.

3. After section 3-A of the said Act, the following new section shall be inserted, namely:—

Penalty for making any cotton wet.

"3-AA. Any owner of cotton who knowingly makes or causes to be made any cotton which is ginned and which is being or is intended to be pressed in a Cotton Pressing Factory, wet, or mixes or causes to be mixed seed, foreign substance or cotton waste with such cotton, or makes any admixture of cotton, or abets or knowingly allows or connives at any such act shall, on conviction, be punishable with fine which may extend to fifteen hundred rupees."

Amendment of section 3 B, Act VI of 1929.

4. In section 3-B of the said Act, after the word, figure and letter "section 3-A", the words, figure and letters "or section 3-AA" shall be inserted.

Statement of Objects and Reasons.

The existing provisions of the Mysore Cotton Ginning and Pressing Factories Act (VI of 1929), do not penalise cases of deliberate watering of cotton, which can in many cases be so regulated as to keep the moisture content of the cotton within the prescribed limits.

2. It is considered necessary to amend the Act on the lines of the Bombay Act of 1938, with a view to preventing such cases of deliberate watering and thus protecting the reputation of Mysore cotton.

Under the provisions of rule 36 of the Mysore Legislative Rules, 1941, the Dewan has been pleased to order the publication in the Gazette of the accompanying Societies Registration (Amendment) Bill together with the Statement of Objects and Reasons.

By Order,

C. NARAYANASWAMY NAIDU,

Legal Remembrancer and Secretary to Government, Law Department.

THE SOCIETIES REGISTRATION (AMENDMENT) BILL.

WHEREAS it is expedient further to amend the Societies Registration Act, 1904;

It is hereby enacted as follows:—

Short title and commencement.

1. (1) This act may be called the Societies Registration (Amendment) Act, 194 .

(2) It shall come into force at once.

Omission of clause (d) in Section 5, Act III 1904.

2. Clause (*d*) of section 5 of the Societies Registration Act, 1904 (hereinafter referred to as the said Act) shall be deleted.

Amendment of section 21-B, Act III of 1904.

3. In section 21-B of the said Act, after the words "any change in the Memorandum of Association" the words and figures "or in filing with him the returns required by clauses (*a*) and (*b*) of section 5"; after the words "to furnish details of such change," the words "or to submit such returns"; and after the words "treat the society as having become defunct" the words "and cause a notification of such decision to be published in the official Gazette" shall be inserted.

Statement of Objects and Reasons.

Under the existing provisions of the Societies Registration Act, 1904, the Registrar has power to declare a society defunct if it fails to send alterations in its Memorandum of Association. He has no such power in case of default in sending annual list of members of the Managing Body or a copy of the audited Balance Sheet with the Statement of Receipts and Expenditure.

2. As there are a number of societies which are not sending these returns to the Registrar and there is, at present, no provision to remove them from the list of Registered Societies, it is considered necessary to empower the Registrar to treat them, after notice, as defunct, by amending suitably section 21-B of the Act. Clause (*d*) of section 5 of the Act will consequently be deleted as there cannot be two kinds of penalty for one default.

3. This Bill is accordingly brought forward.

No. Rl. 1978, *dated Bangalore, the 11th November* 1944.

Under the provisions of rule 36 of the Mysore Legislative Rules, 1941, the Dewan has been pleased to order the publication in the Gazette of the accompanying Mysore Agricultural Produce Markets (Amendment) Bill together with the Statement of Objects and Reasons.

By Order,

C. NARAYANASWAMY NAIDU,

Legal Remembrancer and Secretary to Government, Law Department.

THE MYSORE AGRICULTURAL PRODUCE MARKETS (AMENDMENT) BILL.

WHEREAS it is expedient to amend the Mysore Agricultural Produce Markets Act, 1939 (XVI of 1939);

It is hereby enacted as follows:—

Short title.

1. This Act may be called the Mysore Agricultural Produce Markets (Amendment) Act, 194 .

Amendment of section 5, Act XVI of 1939.

2. To the first paragraph of section 5 of the Mysore Agricultural Produce Markets Act, 1939, the following proviso shall be added, namely,—

"Provided that where the market committee is established for the first time—

(*i*) the Government may nominate all the members of such committee for a period of one year, and

(*ii*) if, before the expiry of the period of one year aforesaid, the elections of such of the members to the committee as are required to be elected could not be held, or, if for any reason the Government consider it desirable that the committee should consist solely of members appointed by it, it may extend the term of office of all or any of the members nominated under clause (*i*) or nominate new members in their places for such period or periods not exceeding one year in the aggregate, as it thinks fit."

Statement of Objects and Reasons.

Section 5 of the Mysore Agricultural Produce Markets Act, 1939, which provides for the constitution of market committees, requires that representatives of certain interests should be elected to the committee in regard to the first committee of a market constituted under the Act Certain practical difficulties arise in providing for election. Under the rules framed under the Act, the electorate for traders' interests, for example, can come into existence only after the committee is constituted. In order to obviate this state of affairs, it is considered desirable that power should be available for the Government to nominate the members of the first market committee, and thereafter to provide for election of the representatives of such of the interests as are given the right of election under the existing section. The present Bill is intended to give effect to this object.

The Government may empower any officers of any department under its control to search any place, vessel, cart or means of conveyance for mechanical lighters liable to duty and to seize and remove or detain any mechanical lighters which may appear to them to have been illegally imported or manufactured.

25. (1) Mechanical Lighters in respect of which breaches of any of the provisions of the Act or of these Rules have been committed shall, together with the boxes packing or wrappings thereof, be liable to confiscation, which may, without prejudice to the provisions of section 12 of the Act, be adjudged subject to the provisions of clause 20 by the Collector:

Provided that when adjudging confiscation the Collector shall give the owner an option to pay in lieu of confiscation such fine, not exceeding one thousand rupees, as he thinks fit, in addition to the duty payable in respect of such lighters under the Act.

(2) Articles of which confiscation has been adjudged under sub-clause (1) and in respect of which the option of paying a fine in lieu of confiscation has not been exercised shall be sold, destroyed or otherwise disposed of in such manner as the Collector may direct, provided that the Collector shall not sell confiscated mechanical lighters at a price lower than the duty payable in respect of such lighters under the Act.

26. The Collector may accept from any person whose property is liable to confiscation under the Act or who is reasonably suspected of having committed an offence under the Act or under the provisions of these Rules, a sum of money not exceeding one thousand rupees in lieu of confiscation of goods or of punishment for breach of any provision of the Act or of these Rules.

27. When duty has been short-levied through inadvertence, error, or misconstruction on the part of the Collector, or through mis-statement as to quantity on the part of the owner of the manufactory; or, when any such duty after having been levied has been, owing to any such cause, erroneously refunded, the person chargable with the duty so short-levied or to whom such refund has erroneously been made, shall pay the deficiency or repay the amount paid to him in excess, on demand being made within three months from the close of the month in respect of which the duty shall have been levied or from the date of making the refund:

Provided that a person chargeable with duty short-levied as the result of an offence under the Act of which he has been convicted in Court shall pay the deficiency on demand being made at any time.

28. No duty which has been paid and of which repayment wholly or in part is claimed in consequence of the same having been paid through inadvertence, error or mis-construction shall be returned, unless such claim is made within three months from the date of such payment.

Under Standing Order 36 of the Mysore Legislative Council Standing Orders, the following Report of the Select Committee on the City of Bangalore Improvement Bill and the Bill as amended by the Select Committee are published for general information.

By Order,

B. K. RAMAKRISHNAIYA,

Secretary,
Mysore Legislative Council.

REPORT OF THE SELECT COMMITTEE ON THE CITY OF BANGALORE IMPROVEMENT BILL.

We, the members of the Select Committee to which the City of Bangalore City Improvement Bill has been referred, have considered the several clauses of the Bill and have the honour to submit the following report.

Preamble.—We recommend that for the words "as well as" the word "and" may be substituted.

Clause 4.—We are of opinion that the Board should consist of eleven trustees and that four of them should be appointed by the Government and four elected by the Municipal Council. We accordingly recommend that for the word "nine" the word "eleven" and for the word "three" in the two places where it occurs, the word "four" may be substituted. We are also of opinion that the election by the Municipal Council should not be subjected to the approval of the Government and we accordingly recommend that the words "and subject in each case to the person elected being approved by the Government" should be omitted.

Clause 5.—We recommend that for the words "appointed by the Government or whose election by the Municipal Councillors shall have been approved by the

Government", the words "constituting the Board" may be substituted.

Clause 6.—The term of the trustees should be three years and not two, and we therefore recommend that in sub-clause (2) for the word "two", the word "three" may be substituted.

Clause 8.—We recommend that in item (*e*) of sub-clause (1) for the word "twelve" the word "six" and for the word "six" the word "four" may be substituted. We also recommend that in the same sub-clause, a new item may be added as follows:—

"(*h*) is employed as paid legal practitioner on behalf of the Board or as legal practitioner against the Board"

Clause 9.—We recommend that in item (*c*) of sub-clause (2) for the word "four" the word "five" may be substituted and in item (*d*) for the words "chosen by the meeting" the words "chosen by the members present at the meeting" may be substituted. We also recommend that in item (*f*) for the words "shall be signed" the words "shall be read and signed" may be substituted.

Clause 10.—We recommend that in sub-clause (3) the last sentence may be omitted.

Clause 14.—We recommend that in sub-clause (2) for the words "make any additional improvement schemes which it may consider "necessary" the words "make any new or additional improvement schemes either on the recommendations of the Municipal Council or on its own initiative or otherwise" may be substituted.

Clause 18.—We recommend that the word "nett" occurring in two places in item (*b*) of sub-clause (2) may be omitted.

New Clause.—We recommend that after clause 18, the following new clause may be added and the subsequent clauses suitably re-numbered:—

"Where within a period of seven years from the date of the publication in the official Gazette of a declaration under clause (*b*) of sub-section (1) of section 18, the Board fails to execute the scheme, the scheme shall lapse and the provisions of section 24 shall become inoperative.

Clause 21.—We recommend that in sub-clause (3) for the words "Medical Officer" the words "Health Officer" may be subsituted.

Clause 22.—We recommend that for the words "the Government shall" at the beginning of the words "the Government after consulting the Municipal Council" may be substituted, and for the word "declare" the words "shall declare" may be substituted.

New Clauses.—We recommend that the following clauses may be inserted in the Bill after clause 22.

"*Clause 23.*—The Board shall not sell or otherwise dispose of any sites for the purpose of constructing buildings thereon for the accommodation of persons until all the improvements specified in section 22 have been substantially effected."

"*Clause 24* (*1*).—Notwithstanding anything to the contrary in any law for the time being in force no person shall form or attempt to form any extension or lay-out for the purpose of constructing buildings thereon:

Provided that where a person proposes to divide into sites compounds of existing buildings or to construct buildings thereon the Municipal Council may grant permission under the provisions of section 107 or section 115, as the case may be, of the Mysore City Municipalities Act, 1933.

(2) Any person who contravenes the provisions of sub-section (1) shall be liable on conviction to a fine not exceeding Rs. 2,000 and the Board may in such a case—

(*a*) direct that further action towards the formation of the extension be stopped, and

(*b*) require that any building or construction undertaken be demolished or altered, and

(*c*) direct him to carry out and on his failure to do so, itself carry out any alterations or variations or demolition. The expenses, if any, incurred by the Board in this behalf may be recovered from the person contravening, as if it were an arrear of land revenue."

Clause 31.—We recommend that in line 2 for the word "who" the word "which" may be substituted.

Clause 40.—We recommend that in item (*d*) of sub-clause (1) for the word "Act" the word "Regulation" may be substituted.

Clause 44.—We recommend that for the words " shall acquire" the word "acquires" may be substituted.

The Bill was published in the official Gazette both in English and Kannada on 8th June 1944.

The Bill has not been so altered as to require republication, and we recommend that it be passed as now amended.

BANGALORE,
Dated 31*st October* 1944.

NOTE OF DISSENT BY *Shafiq-ul-Mulk*

Khan Bahadur MOHAMMED ABBAS KHAN.

I have signed the above Report of the Select Committee subject to the following Dissenting Note :—

1. At the meeting of the Select Committee I emphatically protested against the addition of the New Clause numbered as 24 (1) in as much as it is fundamentally wrong to totally deprive a citizen of his inherent right to lay out extensions for the purpose of constructing buildings thereon. I adhere to my opinion.

2. I am surprised that the proviso to the abovesaid clause 24 (1) and that sub-clause (2) of clause 24 (1) and also new clauses proposed to be added after clause 18 and after clause 22 of the bill which, according to my clear recollection, were never introduced and discussed at the meeting, have been subsequently incorporated without the knowledge of the members of the Select Committee. A novel method of this kind is without any precedent, besides the provisions of the abovesaid new sub-clause (2) of clause 24 (1) are so drastic and unreasonable that as a citizen of Bangalore, I cannot be a party to it.

3. At the meeting of the Select Committee there was no question about the republication or otherwise of the Bill. The Committee did not at all recommend that the Bill need not be republished. This also is a subsequent addition to the Bill.

4. Finally by the addition of the new clause 24 (1) with its proviso and its sub-clauses, the Bill has been materially altered in its principle and objects.

For the above reasons the Bill with these additions must be placed before the Representative Assembly to elicit opinion of the members of that Body on the fundamental principle involved therein.

In any event the Republication of the Bill with the new clauses is essentially required, unless the Government are prepared to delete all the new clauses.

In view of the fact that new clauses have been numbered as 19, 23 and 24 (1) in the typed report of the Select Committee it is not clear what numbers are proposed to be given to clauses 19, 23 and 24 which already exist in the original printed Bill. This requires clarification.

NOTE OF DISSENT BY MR. L. S. RAJU, M.A. (Hons.), B.L.

I have signed the above Report of the Select Committee subject to the following dissenting Note.

I am not in favour of inserting the new clause 24. It is drastic and in my opinion alters to a great extent the features and principles of the Bill as originally published. It is an alteration in my opinion, which would require republication in any event.

NOTE OF DISSENT BY MR. M. RAMACHANDRA RAO, B.A., B.L.

I have signed the report subject to the following remarks. I am not in favour of inserting the new clause 24 (1) in the Bill. I do not think that it would be right to take away completely the existing right of private citizens to form extensions as is now proposed to be done. I have expressed my objection to the insertion of this clause at the Meeting of the Select Committee. So far as sub-clause (2) is concerned, I do not recollect that the same was formerly brought before the Select Committee for consideration. As I object to the inclusion of the New Clause 24 (1) itself, my objection must be taken to extend to the sub-clause (2) also.

The period of seven years mentioned in the new clause proposed to be added after clause 18 seems to be too long.

NOTE OF DISSENT BY MR. T. MARIAPPA, B.A., LL.B.

I feel that there was no necessity for the introduction of this measure at this stage. The Bangalore City Municipal Council has all along carried out improvement schemes in an admirable manner. Nobody ever expressed the need for the constitution of a Trust Board when large and costly schemes were on hand. The present attempt seems to take out the powers of the Municipal Council which is most democratic and invest the same in a body dominated by nominated members. The present time is not certainly the opportune moment to put the clock of progress back and introduce a measure where non-officials elected by the rate-payers have no effective voice. The fact that the Municipal Council should have the largest say in the matter affecting the growth of the City cannot be disputed. In fact the Council is the proper authority to undertake such a step. If there are doubts that large improvement schemes will not be expeditiously carried out by the elected elements on account of various factors and a smaller and compact body is needed, there is no justification for the introduction of the majority of nominated members. I will not countenance the argument that the elected members will not be free from party politics when dealing with improvement measures. By experience, in Mysore, I have to definitely state officials or non-officials, it is the interest and the enthusiasm that animates the members that is responsible for the good work turned out. In Mysore, in spite of an official presiding over the Trust Board, there are a number of defects which non-officials have pointed out time and again.

It is with the hope that the Government will appreciate the aspirations of the elected non-officials, that I put

forward a plea that the Trust Board should contain a majority of the representatives of the Municipal Council, the President being always an *ex-officio* member of the Trust Board.

It is not correct to have the Municipal Engineer and the Health Officer as members of the Trust Board as they are the subordinates of the Municipal Council. I mean no disparagement to any individual when I say this. It is a principle that should guide us in such matters.

I am of opinion that the Chairman should always be an elected member of the Board.
